

From elegant draped-chain suspension lamps and effervescent mouth-blown wall sconces to pendants crafted from simple recycled concrete, these lighting products will make any house shine bright.

07 Monte pendant

Juxtaposing intricate detail with clean lines, Crompton's Monte pendant is both artistic and contemporary. It is designed as a statement piece that would make an impression above a dining table or in an entrance way. crompton.com.au

08 Fizi wall sconce

Articolo's Fizi collection is defined by its heavy, mouth-blown glass balls, bursting with bubbles. Reminiscent of champagne in colour and detail, the balls sit on minimal bases, which are available in a range of materials and are lit by concealed light sources. articolighting.com

09 City Lights

City Lights by Rakumba marry elongated lines with curved edges to capture a sense of glamour and simplicity. They can be used individually or combined to form a cluster or chandelier. City Lights are available in anodized aluminium or polished brass. cafecultureinsitu.com.au

10 Ren concrete pendant

Designed by experimental Chinese studio Bentu, the Ren pendant features a simple recycled concrete funnel with a brass apex. Due to the nature of concrete, natural variances in texture and colour make each piece unique. remodern.com.au

11 Roman linear LED

Masson for Light's Roman pendant is a linear LED light solution designed for residential, hospitality and commercial environments. Popular for use over island benches, it is Australian-designed and made and available in a range of colours. massonforlight.com.au

12 Bud pendant

More than two decades after its first release, ISM Objects' Bud pendant has been refreshed. The pendant features a new pint-sized diffuser, a contemporary metallic flex cable in gold or silver and an LED light source that casts a warm ambient glow. ismobjects.com.au
