# HOUSES®

Australian Residential Architecture and Design

**INTO THE GROOVE**  
*Confident designs that surprise and inspire*

**19 Contour armchair**  
 High-end fashion meets furniture in Zuster's Contour collection of individually crafted armchairs. Pictured in 'Dusty Pink Velvet'; the Contour armchair features a full-height, tapered wingback design, with embellishments and layering inspired by designer handbags.

**20 Mullit Chair**  
 Part of Sancal's vibrant Jungla collection of sofas, chairs and tables inspired by the diversity of nature, the Mullit chair by Yonoh is a "cushion with legs." The super soft chair combines aesthetics and comfort, providing the feeling of sitting on a cushion.

**21 Filter: 2019 colour forecast**  
 Dulux's 2019 colour forecast, themed Filter, features four palettes that aim to set the colour spectrums for the coming year: Wholeself, Identity, Repair and Legacy. The Wholeself palette (pictured) features light, muted shades as well as sweet pinks and opulent golds.

**22 Dialog oven**  
 Miele's Dialog oven aims to reinvent cooking. It features innovative electromagnetic technology that cooks dishes in their entirety, compared to conventional ovens that heat food slowly from the outside in. This helps to cook food such as meat and seafood uniformly and quickly.

**23 Hui round basin**  
 With a simpler round geometric form, the Hui by Bentu basin is inspired by craftsmanship and its inherent material beauty. Made from recycled concrete and ceramic, the round basin comes in white, gray, pink, yellow and blue. It is available from Remodern.

**24 Rustic iron tapware**  
 Sussex Taps' Living finishes give taps patina and age over time, slowly revealing the brass alloy beneath the surface. The Living rustic iron finish has an antique dark brown look produced by chemically treating the individual parts with an oxidizing solution.
