KITCHEN CLEANSE
Give your diet and kitchen a health-kick with a Kilner Ceramic Fermentation Set. Simply add veggies, salt and water to the crock to make your own fermented foods without any hassle, and the stone design looks good on benchtops, too! \$189.95; call 1800 808 971

COME CLEAN
If you ask us, sinks are the new bathroom heroes. Case in point: **Bentu's Ihui round basins**. Made from recycled concrete and ceramic, their refined form brings out the beauty of the material. The range is available in five shades, including this pastel blue. \$825; Remodern.com.au

K+B UPDATE
