01 Mena sofa and armchair
The Mena sofa and armchair collection by Franco Crea strikes a balance between elegance and comfort. Designed for use in houses, commercial spaces and bars, the Mena collection features diamond hand-stitched quilting and neatly chamfered timber arms. catapultdesign.net.au

02 Piece Terrazzo pendant
The Piece Terrazzo pendant by Bentu is distinctive for its three floating terrazzo planes, each suspended and offset with exposed brass fixings. Sculptural and substantial in size, it is made from recycled stone and ceramic aggregate mixed with high-strength concrete. remodern.com.au

03 Relay textiles
Maharam Design Studio's Relay is a sportswear-inspired textile constructed from flat-woven webbing. Woven on a loom using a vertical warping technique, Relay features striking basket-like textures, elevated by a compelling range of colours. kvadratmaharam.com

04 Composite carpet collection
Brintons' Composite carpet collection, created in collaboration with Studio Elke, is defined by unusual geometries, graphic patterns and architecture-inspired shapes. Referencing materials such as terrazzo and marble, the collection includes ten unique designs. brintons.com.au

05 Harvey swivel armchair
Grazia and Co's bold, fully upholstered Harvey swivel armchair maintains a balance between function and style. Made to order in Melbourne, Harvey comes in fabric or leather, with a feather-fibre wrap seat, back cushions and a concealed swivel mechanism. graziaandco.com.au
