## BROADEN YOUR HORIZONS

Brilliant ideas for  
new ways of living

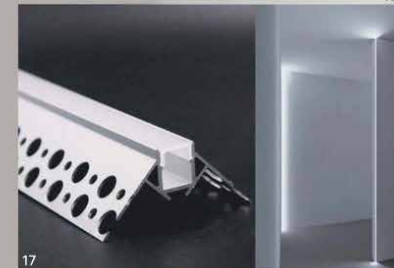

**13 O2 terrazzo wall light**  
Reminiscent of celestial orbs in eclipse, the Bantu O2 wall light, from Remodern, is a floating terrazzo disc, offset and back-lit through a prism. The terrazzo is made from recycled stone and ceramic aggregate with a smooth, machined finish.

**15 Melt pendant**  
Tom Dixon's Melt pendant is a beautifully distorted globe that creates a melting, hot blown glass effect. Translucent when on and with a mirror finish when off, it is available in copper, gold, smoke and chrome and as a floor and table standing lamp.

**16 Matrix pendant**  
Incorporating flowing architectural lines, the Matrix pendant from Limelite is reminiscent of a modern skyscraper. The sleek, simple finish of the outer shell contrasts with the textured pattern of the inner walls. Matrix is designed and manufactured in Australia.
